

# **The \$500 Alert Scholarship**

**for the Fall 2012 issue was donated to the  
Nebraska General Scholarship Fund.**

**Why?** This is our very first issue of *Alert Magazine* in Nebraska. Because we did not have any submissions for the Nebraska Alert Scholarship prior to going to print with this issue, the money for the \$500 scholarship has been given to a general scholarship fund that will benefit students in Nebraska.

In the future, each issue of the Nebraska *Alert Magazine* will have an essay written by a high school senior from Nebraska. Our \$500 Alert Scholarship will be awarded to the senior who writes the best essay about drugs and alcohol out of all the current scholarship essays we have received. So please encourage all of the high school seniors you know to apply!

For more information see page five in this issue and go to: [www.alertmagazine.org/scholarship.php](http://www.alertmagazine.org/scholarship.php)

Our website has more information, including a complete list of the Alert Scholarship requirements, eligibility, and samples of past winning scholarship essays.
